Hello,

You are cordially invited to a reception in honor of Senators Margaret Carter and Avel Gordly for their ardent legislative and community work. The Senators are featured as part of an art display working in partnership with ART UP, a local organization that encourages young artists to identify and create art about local women that have impacted their lives. Go to www.artup.info for more information.

Reception details:

Tuesday October 30, 5-7pm
Portland City Hall
1221 SW 4th Portland, OR 97204

We would be delighted if you were able to join us in honoring Senators Gordly and Carter and the other local women featured in the art display, as well as, the young artists who crafted such amazing art pieces. Light refreshments will be served.

This reception is the kick-off to the City Hall 1st Thursday “History of our Region” art show November 1st 5-7pm and will feature the ART UP pieces in addition to historical paintings, photos, and sculpture.
